

Spider Preparation Sheet

***Please be prepared to vacate the premises for 4 hours once treatment is complete**

***It is recommended that people with respiratory problems consider vacating for 12-24 hours**

1. Vacuum carpets and sweep all floors of each room.
2. Have all carpets and floors free and clear of any debris such as children's toys etc.
3. Ensure all counter tops are free and clear of any items including food. These items can be stored in the upper cupboards or fridge.
4. Please allow the technician access to crawl space.
5. Please cover any aquariums with a damp towel and have the pump turned to the off position.
6. Empty any animal dishes (food/water).

***Please have your unit prepared the same way for your follow up treatment**
